

Summer Reading Assignment

Glastonbury High School English Department

PART ONE: BOOK OF CHOICE

Choose one book to read over the summer. Refer to your notes and the “business card” you created at the end of the year in English class. You may also consult the GHS Summer Reading List and other resources found on the GHS Library web page at <https://www.glastonburyus.org/schools/glastonburyhigh/ghslibrary/summerreading> to help you choose a good book. After reading your chosen book, complete this sheet and have a parent/guardian sign it. Bring it to your new English teacher during the first week of school.

PART TWO: CONNECTION TO A NONFICTION ARTICLE

Find an article that relates to the book you chose to read this summer. Use the research databases that you learned about in school found at <https://www.glastonburyus.org/schools/glastonburyhigh/ghslibrary/databases> to help you search for an appropriate article. You may also use an article from an actual magazine or newspaper you find at home or on vacation. After reading the article, attach it to this sheet, complete this sheet and have a parent/guardian sign it. Bring it to your new English teacher during the first week of school.
